GENERAL REQUIREMENTS

- 1) Candidates must be in International Student status in order to be able to study in graduate programs within the scope of the Directive regarding the Application, Admission and Registration Procedures of Muğla Sıtkı Koçman University.
- 2) Candidates must graduate from undergraduate / graduate programs of universities. Application to Master's programs can be made with a bachelor's degree, while Ph.D. programs can be applied with a Master's degree.
- 3) Although it meets the above conditions, candidates who have graduated from T.R. universities with the status of International Students must not have been sentenced to discipline from their higher education institution due to disciplinary crime.
- 4) Candidates must have a sufficient level of language knowledge to follow the education in foreign language or in Turkish-language programs. In this context:
 - a) Candidates who apply to the programs whose education language is Turkish should have at least B2 level language certificate from Turkish Education Centers,
 - b) Candidates who do not have this certificate are required to take at least 60 grades from the Turkish placement test to be held by the School of Foreign Languages.
 - c) Candidates who certify that they have completed their education in a university teaching in Turkish are exempted from the Turkish Language exam. Turkish preparatory program is applied for students who cannot provide Turkish proficiency.
 - d) For graduate programs taught in a foreign language, candidates must get at least 65 points from YDS, equivalent points from exams accepted by ÖSYM, or at least 65 points from foreign language placement exams to be held by School of Foreign Languages. Foreign language proficiency requirement is not required from those whose official language is the relevant program language and candidates who are trained in the relevant program language at home / abroad.

- e) Candidates who are not able to obtain the language proficiency in graduate programs in a foreign language must continue and succeed in the Foreign Language Preparatory Program in order to continue the graduate program. These candidates are subject to the provisions of Muğla Sıtkı Koçman University Foreign Language Education and Exam Regulation.
 - f) Candidates who apply to Master's and Ph.D. programs whose science field is a foreign language must get at least 80 points from YDS, as well as a minimum of 55 points from YDS from a language other than the foreign language related to the field of science, or equivalent points from exams accepted by ÖSYM.
- 5) The evaluation of international students' Master and Ph.D. applications is made on the sent/submitted application documents. In the evaluation, it is decided whether the candidate will be admitted to the program within the announced quota considering the grade point average (GPA), language exam success grade, letter of intent and references.
