Dear Name

We are pleased to know that you are interested in coming to Poznan University of Life Sciences within the framework of Erasmus+ Programme, Staff Training Mobility Action.

We hereby send you a formal invitation to join the Department of Furniture and Design, Faculty of Wood Technology, for a period of 1 week (exact dates to be negotiated) before the end of September, 2015. You will be expected to participate in training and work shadowing activities in the area of furniture engineering, which will be detailed later in the proposed mobility agreement training programme.

We sincerely hope to welcome you to Poznan University of Life Sciences for a period of mutually beneficial cultural and academic experience.

Sincerely yours,

Prof. Dr. Jerzy Smardzewski

Dear Mr. Name

It gives me great pleasure to invite you as a visiting scholar to the Institut Universitaire de Technologie de Nantes (Université de Nantes) during May 17, 2014 - May 23, 2014 in terms of Erasmus Staff Mobility Training Program. You will be trained in the general area of Statistical Process Control and its applications in public health.

I am assuming you will satisfy the requirements of the program and have Erasmus based funding for travel, living expenses, etc. You will be given office space during this study period.

Sincerely,

Philippe CASTAGLIOLA
Professeur des Universités
